

Hi

Sorry to duplicate this newsletter, but it's been brought to our attention that the links to the Launch Details are not visible in some browsers. So we've modified it to include better link options. So sorry.

This is a most special time . . .

We have really stretched our wings and decided to launch a range of very special Ottomans. It's all about supporting Australian textile designers and artists! Supporting small business!

ART SERIES OTTOMAN LAUNCH
Saturday 28 and Sunday 29 October

We are thrilled to be collaborating with inspiring and talented Australian textile designers and artists to create a range of truly unique ottomans....real statement pieces designed to add personality and character!

It is exciting to be creating **bespoke limited-edition handmade ottomans** using fabrics that reflect the hearts, hands and minds of creatives from around our great country!!

We are having two special Launch Events...come along and see for yourself how beautiful these ottomans are!

What's happening at the Launch Events?

- **With fabrics from ten designers, we will have over fifteen ottomans** available for sale....some of these ottomans are one-offs, others we can make one or two more, but they are definitely bespoke and limited edition!
- In addition we will have a selection of **complementary lampshades** for sale, again using fabrics from Australian designers.
- And to add to the fun, on the Saturday evening, a number of our Brisbane-based designers will also feature a range of their other products and work in their own **pop-up shops** in the Ministry of Handmade Studios. They'll be on hand to talk to visitors directly about their process and inspiration for their craft.
- Celebratory drinks!! Ministry of Handmade is 5 years old this month!!
- **Our studios will be open for inspection...come have a sticky beak...we have been busy making exciting changes!!**
