

ZIP PURSE PATTERN

Preparing the pattern

After printing out the pattern, trim it as follows:

- Trim along the hashed line to remove the strip on the right hand side as marked.
- Carefully cut out the pattern for the zip tabs.

Cut list for materials

Outer fabric

2 x **280mm x 210mm** These two pieces can be one piece of fabric or a combination of fabrics to make this size.

1 x **100mm x 40mm** (zip tab)

Lining fabric

2 x **280mm x 210mm**

1 x **100mm x 40mm** (zip tab)

Wadding

2 of **280mm x 210mm**

Seam allowances

Outer

Zip edge: 12 - 15mm

Sides and bottom: 10mm

Lining

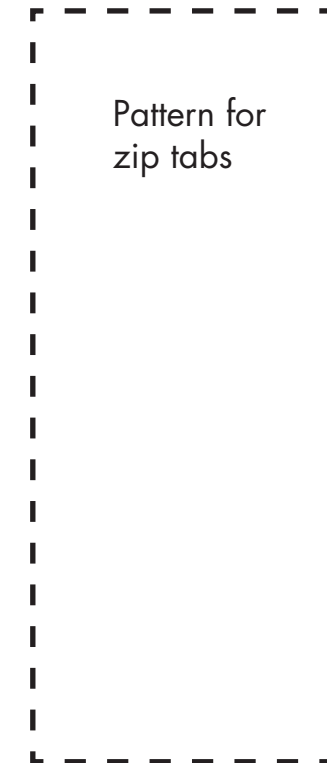

Zip edge: 12 - 15mm

Sides and bottom: 15mm

Cut out on the edge of the grey square for box corner

Cut out on the edge of the grey square for box corner

Fold along all four diagonal lines in the corners to trim the wadding.

Trim off this dark shaded strip. It is not part of the pattern.
